

January 2012

Dear Fountain Valley High School Vocal Music Patron,

We are excited to announce our Vocal Music Program's inaugural Spring Gala - "**Puttin' on the Ritz!**" - on Saturday, March 31, 2012 at the Mesa Verde Country Club in Costa Mesa. Our goal is simple: to raise funds while we are having fun. We invite you to partner with us by donating an item for our live and/or silent auctions being held that evening.

With a current enrollment of over 320 students under the artistic guidance of Mr. Kevin Tison, the program has spanned over three decades and involved thousands of students with its strong tradition of choral excellence and has consistently earned the highest honors on local and national levels. The program strives to offer all its students both comprehensive educational and musical experiences through challenging instruction, high levels of concert performances, frequent tour opportunities and leadership development. Through the support of many, the vision and future of the Fountain Valley High School Vocal Music Program will provide outstanding opportunities to its students for many years to come.

With that vision in mind, we are working to raise over \$50,000 to further support our exceptional vocal music program.

In appreciation of your donation, you will be acknowledged at our Gala, highlighting your commitment to our students and the value of their vocal music education.

Enclosed is our Auction Item Description Form. **Please mail your completed paperwork prior to March 1, 2012.** If you have questions, please contact Sabrina Gomez, at sgomezx2@hotmail.com or (714) 478-8509.

Your partnership with the Fountain Valley High School Vocal Music Program will ensure continued excellence for the benefit of our students, community and the arts.

Thank you for your generosity.

Sincerely,

LeAnn Snow
Co-Chair
