

Fountain Valley High School Vocal Music

FRIENDS of Vocal Music Parent Association

The Vocal Music Program at FVHS is highly successful and has won many awards and prestigious honors through the years that have given the students a sense of self-worth, accomplishment and increased self-esteem. The program is professionally managed and has not only given the students many wonderful opportunities to grow, but has also provided them with love and appreciation for the arts that has also provided them with education opportunities and exposure to some of the most talented musicians around the world. In San Francisco, South Carolina, Louisiana, Texas, New York City, Chicago, Illinois, Germany, Austria, England, China, Hong Kong, Taiwan and Canada and into countries of 200+.

The general operating budget for a program of this magnitude is over \$100,000 per year and when faculty, even the dedicated donations from the Friends of the FVHS are added to help promote and generate the necessary program expenses are many times not sufficient for all students involved. As you will see in photos located at FVHS at the FVHS in showing below, your generous donation will help pay for concert expenses, travel professional instruction and many other general operating costs of the program, which ultimately is a direct benefit and worthy to your children and of themselves. Additionally, a % of your donation is allocated directly to your children's account. This is an excellent opportunity for your student not only to obtain a more significant contribution to help offset their costs, but also enter program costs.

There are various levels of sponsorship offered in the right of this category that are designed to fit whatever's personal or professional circumstances. You have the option to give an individual or family contribution - total donations are not deductible. This is an excellent way to donate grandparent, uncle, aunts, cousins, neighbors, friends and loved ones to help provide musical instruction and funding for the Vocal Music Program.

As a token of our sincere appreciation, you will receive special recognition and gifts, which are listed by your chosen level of sponsorship. In your case you, **donate one dollar benefit from becoming a FRIEND of the Program!** However the cost would still be for one hour, knowing that you have had a positive impact on a student's life by helping to pay for the necessary costs to attend while enjoying and benefiting educational experience for all students of the Vocal Music Program.

Please make checks payable to FVHS. You can deliver or mail your donation to us at the address below below. The official receipt is simply printed upon your donation is received.

Thank you for your consideration and generous contribution. We sincerely appreciate your friendship and support!
