

Fountain Valley High School Vocal Music

FRIENDS of the Vocal Music Parent Association

The Vocal Music Program at FVHS is highly acclaimed and has won many awards and prestigious honors through the years that have given the students a sense of self-worth, accomplishment and increased self-esteem. The program is professionally managed and has not only given the students many wonderful opportunities to grow, mature and expand their love and appreciation for the arts, but has also provided once-in-a-lifetime opportunities to tour and perform in some of the most prestigious forums around the world – i.e. San Francisco, British Columbia, Louisiana, Texas, New York City, Chicago, France, Germany, Austria, England, China, Hong Kong, Hawaii, and Croatia and Italy (summer of 2016).

The general operating budget for a program of this magnitude is over \$70,000.00 per year and relies heavily upon tax-deductible donations from the Friends of the VMPA campaign to help preserve and ensure this wholesome program continues its strong vision and accessibility for all students, therefore - ***we are asking you to please become a Friend of the VMPA by donating today!*** Your generous donation will help pay for concert venues, hired professional musicians and many other general operating costs of the program, which ultimately is a direct benefit and savings to your student and all participants. ***Additionally, a % of your donation is allocated directly to your student(s) account. This is an excellent opportunity for your student (or any student) to earn significant contributions to help off-set their retreat, tour and other program costs.***

There are various levels of sponsorship (shown to the right of this column) that are designed to fit everyone's personal or professional circumstances. You have the option to give as an individual or family, or a business – ***and all donations are tax-deductible!*** ***This is a great way to involve grandparents, aunts, uncles, cousins, neighbors, friends and local businesses in helping provide needed resources and funding for the Vocal Music Program.***

As a token of our sincere appreciation, you will receive special recognition and gifts, directly related to your chosen level of sponsorship! ***As you can see, there are many benefits from becoming a FRIEND of the Program!*** However the real reward will be in your heart, knowing that you have had a positive impact on a student's life by helping to provide the necessary means to deliver a life-changing and extraordinary educational experience for all students of the Vocal Music Program.

Please make checks payable to VMPA. You can deliver or mail your donation to me at the address listed below. ***You will be mailed a receipt for tax purposes once your donation is received.***

Thank you for your consideration and generous contribution. We sincerely appreciate your friendship and support!
