

Dear Vocal Music Families,

My name is Ellen Johnson and I am pleased to be serving our Vocal Music families this year as the Scrip Coordinator. I have a daughter in the Trovadores and a son in the Picoasanta Valley Singers which gives me the extra incentive to bring you this fabulous fundraising opportunity. I am excited because this fundraiser allows our students to reap the rewards of our everyday shopping to benefit their personal Vocal Music accounts as well as the Vocal Music Program in general. However, the best part is that the process is so easy that you will use it all the time. Not to mention, the holidays are upon us so there's no better time to start!

For those of you who have used Scrip in the past, the process is even easier now! Of course you can still order physical cards using the standard paper order form, but you can also purchase physical cards, e-cards and reload cards online using www.shopwithscrip.com and pay online using PrestoPay which is enabled. This program even allows you to instantly get gift cards on the go using a mobile app which you can get at www.myscripwallet.com. As an extra bonus, you can have extended family and friends sign up to support your student with this fundraiser. Please email me at ynpwrjohnson@gmail.com and let me know the names of your family and friends who are signing up to support your students so I can verify that they are part of our organization.

I have attached some helpful documents to get you signed up with www.shopwithscrip.com and PrestoPay as well as the paper order form (if you decide to go that route) but here's some frequently asked questions.

How do I order?

1. Use the order form included in the packet (you can print extras online at the VMFA website). Fill it out and return it to Mr. Tison in the choir room along with your check/monetary order made payable to VMFA.
2. **Order online:** You may order online at www.shopwithscrip.com. Please use the following enrollment code for the Picoasanta Valley Vocal Music Program: **Code# 2B4E3BEE1396** Then set up your family Presto Pay account so that you can pay directly online. Be sure to email me at ynpwrjohnson@gmail.com once you have an approval code so that I can manually verify that you are part of our organization.
3. I will collect and place the order on Friday afternoon after I have picked up the paper orders from the choir room on Friday morning. Please make sure that you place your paper orders by Thursday to ensure that I get the forms on Friday morning. If you are making online orders, please make sure that you input your order by Thursday night so I can verify on Friday. Thanks!
4. Orders will be hand delivered to the choir room on Fridays and given to your son/daughter to take home.

Happy Shopping!

Ellen Johnson
